MEMORANDUM FOR: Deputy Director (Support)

SUBJECT: Report of Application of Pay Increases for Agency Scientists and Engineers.

1. This memorandum is for your information.

2. Effective 29 December 1957, [redacted] Agency Engineers and Scientists received pay increases in accord with action taken by the Civil Service Commission: 25X9

	Old Rate	New Rate
GS-9	6,115	6,250
GS-11	7,035	7,465
GS-12	7,570	8,645
GS-13	8,990	10,065
GS-14	10,320	11,395
GS-15	11,610	12,690
GS-16	12,900	13,760
GS-17	13,975	14,835

3. The attachments present a statistical summary of pay adjustments accomplished as follows:

Tab A - Distribution of Pay Increases by Directorate

Tab B - Distribution of Pay Increases by Occupation

Tab C - Position Classification Changes Required to introduce the increase.

4. Positions occupied by bona fide scientists and engineers but not included in the Civil Service Commission authorization were re-evaluated and changed, where justified, to scientific and engineering positions so that employees were eligible for the increase. Similarly, scientific and engineering positions occupied by personnel not qualifying as scientists or engineers were re-evaluated and changed as necessary. The actions taken in this regard are summarized in Tab C.

5. All action required to complete authorized pay adjustments has been accomplished. Remaining are a few anticipated requests to review positions and incumbents' qualifications to establish eligibility for the pay increase.
